2000mm Lightbox
2000(w) x 2250mm(h)

Bleed Area
Anything in this area will be trimmed off the final print. Please remember to extend any colour blocks or images into this area to prevent any white lines appearing during the print finishing.

Final Trim
Your job will be cut to the solid black line, any elements within the grey area may be trimmed off the final print.

Safe Zone
Please keep any important info within this white area.
